SUPERINTENDENT'S MESSAGE

TO THE FORT VALLEY HIGH SCHOOL SENIOR CLASS OF 1959:

A school yearbook is a record book of your high school activities, but pictures alone do not tell the full story of your Class. The record would not be complete without including some of your accomplishments since entering high school.

Your record of good solid scholarship can best be cited by pointing to the results of the NMSQT administered at the close of your Junior year. Four hundred seventy-nine thousand (479,000) Juniors throughout the nation participated. Fifty per cent (50%) of the Fort Valley Class ranked in the top twenty-three per cent (23%) of the nation, and eighty per cent (80%) of your Class ranked in the upper forty-seven per cent (47%) of the national group.

You have had a leading part in helping Fort Valley High School win the following:

1. Sub-region football championships in 1956 and 1957
2. Region 3-B football championship in 1958.
3. Region 3-B basketball championship in 1958.
4. State Literary championships in 1957 and 1958.

The chances are that you will help Fort Valley High School win another championship in Basketball and a State Literary championship in 1959 before you graduate.

It is wonderful to have so many achievements crowded into four years of school life, and Fort Valley High School is a better school because you Seniors have been here for four years.
